PUBLIC NOTICE

Water Services Regulatory Board (WASREB) has approved KACWASCO's application for the regular tariff review 2021/2022 to 2024/2025 as per the Gazette Notice No.12314 dated 12th November, 2021. This is therefore to inform all our esteemed customers and the general public of the implementation of the new tariff effective 20th January, 2022.

This review conforms to the water sector regulations and is in line with changes in the consumer price index in the country.
