EXPRESSION OF INTEREST (EOI) FOR CONSULTANCY SERVICES FOR DESIGN, DEVELOPMENT OF TENDER DOCUMENT AND TERMS OF REFERENCE AND SUPERVISION OF CONSTRUCTION OF A 5000M³ REINFORCED CONCRETE RESERVOIR TANK

(OPEN TENDER)

KACWASCO/CON/1/2018-2019

1.0 GENERAL INFORMATION

Kakamega County Water and Sanitation Company limited (KACWASCO) is a county corporation through the Kakamega Water and Sewerage Services Act, 2015 section 4(2) and is incorporated under the Company Act (Cap 486). Kakamega County took over the operation of water supplies from Lake Victoria North Water Services Board (LVNWSB) from July 1, 2016, following the separation of the joint operations of the water supplies between Kakamega and Busia Counties; this was in relation to the new Constitution that makes water provision services a County Government role under the devolved system of government. 253,983 people are currently being served with clean, quality and sufficient water in Kakamega against a population of 319,266 in the service area. This population is mainly in the urban areas as per Service Provision Agreement (SPA), but the total population of Kakamega County is approximately 2 million

Kakamega County Water and Sanitation company(KACWASCO) has received funding from The County Government Of Kakamega to expand its water provision services to new customers coming on board and ensure continuous supply of water to existing consumers without any interruptions. For this purpose The County Government of Kakamega has set aside a piece of land for the construction of the 5000m³ Capacity reservoir tank made of concrete reinforcement in Milimani Kakamega
